BOARD WILL DISCUSS SUPERVISION OF ROADS

Question at Monthly Meeting To-Morrow.

PLANNING FOR "CLEAN-UP DAY"

Interesting Services To-Day in Churches of Southside-Final Musical Recital

The question of having the Washington-to-Atlanta Highway placed under government supervision is sche-duled to come up at the monthly meet-ing to-morrow of the Chesterfield Board of Supervisors, which will be held at the Courthouse. As the report of the committee appointed to confer with the Richmond Chamber of Com-merce and the Petersburg Chamber of Commerce may not be completed, a member of the board said yesterday that the matter will probably be tabled. These on the committee are W. A. Horner, chairman; L. C. Moore and D.

P. Hatcher.

An appropriation of from \$8,000 to \$14,000 is required to change the management of the road, which it is planned to distribute proportionately among Chesterfield County, and Richmond and Petersburg. Should the proposition be voted down the old plan will be continued of having each district pay its quota toward its maintenance. Much interest is being taken in the county in the matter, and it is believed that the action of the supervisors will be favorable to the new scheme.

"Clean-Up Day" will be observed in South Richmond on Thursday, and perparations are being made by all the civic bodies to have the property owners co-operate with the Street Cleaning Department in making the Sauthald specifies. Southside spotters. Troop No. 11, Boy Scouts of America, will aid in the work by picking up waste paper, and all housekeepers have been requested to place their debris in barrels in the al-

G. W. Creary, of Chesterfield County, was arrested last night, charged with slightly injuring John Morrow, colored, with a shotgum. The trouble is said to have occurred over money. After being wounded, Morrow went to his home, near the Greary farm, and returned with a revolver, with which he fired four shots at Creary, none of which, however, took effect. He was later arrested on this charge. The arrests were made by Officers Tinsley, Moore and Breeden.
